

Dear students and parents,

I would like to thank you for joining Tabor Music. We greatly look forward to working with your child and family to nurture a positive music learning experience. We will work our hardest to prepare your child to confidently and successfully start a life-long relationship with music.

What you can expect from Tabor Music

We treat our students and families with care and respect.

- We will always give you our best focus and effort during instruction.
- We will always return your call or email in a timely and professional manner.
- We will always treat your children as our own.
- We will always strive to be on time.
- We will always listen when you have a concern, and try our best to solve the problem.

A few ways you can help

For us to best serve you and the other students, attention to the following is much appreciated:

- Be on time to all scheduled lessons, classes, practices, camps, and performances.
- Do your best to schedule appointments outside of lessons and performances times.
- Let us know if you see a way we can improve our services. If we see a way to make it happen, it will.

Student Materials

In addition to lesson tuition, families may be responsible for additional expenses associated with our services. For example: books, binders, sheet music, pencils, etc.

Cancelations by Instructors

- If a lesson is canceled by an instructor for any reason, we will provide another lesson at a mutually agreed upon day/time.
- By default, we are closed on most “bank holidays”, such as Christmas, Memorial Day, Thanksgiving, etc.
- Cancellation of lessons due to unsafe weather will be up to the discretion of the location/instructor.
- We will typically follow the local school district’s decision on school closure and cancellation of after school activities. School delays will not affect lessons.

Cancelations by Student/Parent

- Please notify Tabor Music as soon as possible for any lesson cancelations.
- Teachers are not required to make up a lesson missed by the student for any reason.
- Missing 1 or more lessons per month will disturb progress and may affect lesson membership.
- If a lesson time doesn’t work out on a regular basis, talk to us and we’ll do our best to work out another time that works for both parties.

Termination of Lessons

In the event that you’d like to stop having lessons, simply give word to Bjorn. Prepaid tuition is non-refundable.

Child Protection Policy

In order to create a safe learning environment for all children, we are committed to putting these measures in place:

- All instructors must pass a federal and child welfare background check.
- Parents are always welcome to stay in lesson if they’d like to observe.
- All lessons are open-door and will always remain unlocked.

I, _____, have read the 2019 Tabor Music policies.
